## No Youth Left Behind

### Let's Make It Happen, IMC!

*What if...every high school youth in IMC were able to attend the MCUSA 2017 Convention in Orlando?*

*What if...the congregations of IMC came together to ensure that No Youth is Left Behind for Orlando 2017?*

*That would be one amazing display of LOVE!!*

Here's the reality: Some IMC high school youth will not attend Orlando 2017 unless we pull together the resources needed to ensure that everyone desiring to attend gets to attend. We have youth in congregations where resources (money, sponsors) are limited. We also have congregations with resources (money & sponsors) but no youth. Still others may have youth but also have funds beyond their current youth's needs.

Convention is an amazing faith formation experience for our young people. So, let's get creative and ensure that every IMC youth has the opportunity to experience it! Together we can show the youth of IMC that *"LOVE IS A VERB!"*

Please contact Kim Litwiller [309.613.0174 or [kiml@mennonite.net](mailto:kiml@mennonite.net)] if your congregation is able to offer any of the following resources OR if youth within your congregation would benefit from any resources we gather.

- Funds to help cover convention cost. Convention costs roughly \$1,000/ youth. Extra funds can be mailed to the conference office designated for IMC youth trip expense.
- Room for additional youth to join your group already planning to travel to Orlando.

***"Our ability to send students is dependent upon IMC congregations offering resources!"***
