The SMAP (Student Mutual Aid Program) spring term college payments are due by early January. When we include spring/summer semesters, payments total ~\$33,000. The current balance of the SMAP fund is ~\$26,500 so we are still short ~\$6,500. Please consider making a contribution or if you have made a pledge please make that payment prior to the end of the year. This program has been supported by our church for almost 40 years and we would like to be able to continue to fully support students attending Mennonite colleges.

If you have any questions please see Darvis King.

Friends - I would like to share the 2017 Moro Moro Scholarship Fund newsletter with you. Copies are available on the table in the narthex or from the link below. For those of you who do not know, the MMSF is a scholarship for students from my father's hometown of Moro Moro, Bolivia. Without this scholarship these students have virtually no chance to attend college. I would be honored if you took a moment to find out about the good work happening there! Thanks for all your new and continuing support

## Voice of the Day

“Christmas has lost its meaning for us because we have lost the spirit of expectancy. We cannot prepare for an observance. We must prepare for an experience.”

## Today's Chuckle

It had been snowing in Iowa for hours when an announcement came over the University's intercom: "Will the students who are parked on University Drive please move their cars so that we may begin plowing."

Twenty minutes later there was another announcement: "Will the twelve hundred students who went to move 26 cars please return to class."
